

Servion sets up think tank

The Hindu | 15 December, 2006

New Delhi, Dec. 15, 2006: The Chennai-based Servion Global Solutions, along with management expert M.B. Athreya, has set-up a panel of innovators which will share knowledge and information and evolve and document best and next-generation practices so that they are of value to industry at large. The think-tank includes C.N. Ram (HDFC), Kuruvilla Markose (E2E SerWizSol), Lakshmi Narayan (Cognizant Tech.), R. Muralidharan (ICICI), and R. Venkateswaran (Almak Management).
